

# **CORRECTIONAL SERVICES' SPORT ACHIEVERS AWARD CEREMONY**

On 21 June 2012, during a prestigious black tie event, the Area Commissioner of Southern Cape, Ms Ndileka Booi, has awarded 120 men and women of her management area for their achievements in sport for the year 2010/2011.

“The Correctional officials of Southern Cape have unleashed their potential to excel and managed to represent the Western Cape Region of Correctional Services on national level while some even participated internationally. The Management of Southern Cape feels very proud of our officials as they were granted only a few hours throughout the year to practice and still they managed to be successful. These men and women did not only add value to the greater achievements of members in the Western Cape Region of Correctional Services, but also with regard to the achievements of offenders throughout the Region as well.”, she said in her address.

Mrs. Booi stated that as managers of the Department of Correctional Services they all have an obligation to look after the wellness of their employees, so as to ensure a productive workforce.

The sport men and women of Southern Cape management Area of Correctional Services have played a vital role in terms of bringing forth coaches and conductors to transfer skills to both members and inmates and Mr. Barnard was awarded for the following achievements:

He represented the SA National golf team in Canada.  
He has been and still is the Captain of the A league – George Golf club.  
He has been the Club champion of George's Golf Club for 5 years
