

SOUTHERN CAPE SENIOR WOMEN'S GOLF SOCIETY

NATIONALS 2022 UPDATE

Once again the KZN National Senior Championship, due to Covid-19 concerns, has been postponed.

A Committee decision was made in 2020 which gave the 2019 Qualifiers "automatic" entry to what would have been the 2020 event.

It has been brought to the attention of the Committee, that should a similar "automatic" qualification apply again this year, no other player is afforded the opportunity to qualify and therefore what would be the point in entering and playing 2021 Fixtures? The Committee thought this a valid issue and have come to the following decision:

AUTOMATIC qualification no longer applies (we cannot extend this for a 3rd year). All Members start 2021 on zero points and points will be accumulated as per SC criteria, for 2021 Fixtures. Those Players who attended Pinnacle Point on March 1 have been allocated 2 points for the event.

There are 9 remaining Fixtures for 2021, for which points are available. Players hoping to qualify for KZN Nationals 2022 MUST play at least 6 of the 2021 Fixtures.

It must also be noted that our paid-up Membership at the closing date for Affiliation to the National Seniors Society in January 2021 was 147.

In effect this means that **15** places will be allocated to SC for 2022!

FIXTURE DRAW DISTRIBUTION

The Committee has decided that all Future Draws for Fixtures will be distributed as follows:

- Seeded Draws - **Thursday** prior to Fixture
- Shotgun Starts - **Friday** prior to Fixture

This decision has been taken to avoid the Reps, in charge of compiling the Draw, having to re-send Draw out more than once to incorporate any changes.
