

SOUTHERN CAPE SENIOR WOMENS GOLF SOCIETY

MONTHLY NEWSLETTER : APRIL 2021

President's Corner.....

Hi All

A really misty morning, created an eerie feeling for the first 4 balls to tee off in, at Plettenberg Bay on Monday!! Fortunately, the mist lifted quickly and it turned out to be a great day enjoyed by 74 Players. Congratulations to the winners on the day.

We're extremely proud of Sonja Bland for her win at Parys Golf Club and making her the **FREE STATE SENIOR CHAMPION** for 2021 (See Picture below)

An update on 2 matters :

- Regarding Senior Shirts.....these are temporarily unavailable as there is no stock in the warehouse. New stock is expected by mid-April. Michele has a record of the players who have paid for, but not received shirts and as soon as the shirts become available, they will be distributed.

PLEASE NO PAYMENTS FOR SHIRTS FROM NEW MEMBERS UNTIL STOCK ARRIVES.

- There is no automatic qualification for 2022 Nationals. Players who participate in monthly Fixtures will be allocated 2 points. 10% of the Society's membership is the annual allocation for Nationals:

Providing the required number of events have been played and your handicap falls within the specified cut off.

The next fixture will be at Knysna on 3rd May 2021.

The 85% HANDICAP ALLOWANCE will be implemented from this fixture and for ALL the Alliance Competitions remaining this year.

All Clubs are meant to be enforcing this so we should, by then, be more familiar with the process. Club Reps will be sending out the GOLF RSA PLAYING HANDICAP CONVERSION SHEET for Alliance Competitions via Whatsapp for you to save onto your phones as easy reference.

Cheers

Les Carrline
