MONTHLY NEWSLETTER : FEBRUARY 2020

## President's Corner.....

107 players at Kingswood on a course that a lot of the ladies grumble about playing.....a good start to 2020 Seniors!!

The EFT system is catching on as a method of payment for the Estate courses and this alleviated some of the congestion in the Pro Shop.

The early morning mist burnt off quickly and after coffee, muffins and HAPPY NEW YEAR greetings were shared we set off to meet the challenge of Kingswood Golf Course on what became an extremely HOT golf day!!

It is encouraging to welcome a batch of new members from a spread of all the SC clubs but sadly some of the "oldies" have not renewed Membership for 2020. This balances out as the current Membership is 200. Bev has asked me to mention that she is currently updating the database of Birthdays and apologises if members are "overlooked" during this time!

An ongoing issue, which the Committee need to find a solution to, is the fact that at a number of monthly competitions, especially when we pre-pay, our Srixon golf card does not get swiped. This means the Pro Shop does NOT open a round and the player has to do this personally. It is easy to forget to do this which means in effect that a round of golf goes "uncaptured". Until such time as we find a solution, each Club Rep will be checking up on her players to make sure that scores are entered correctly.

March 2<sup>nd</sup> is at Mossel Bay and we look forward to your support as the fairways have recovered and the course is in great Shape.

Please arrange lift schemes for travelling to venues – its cuts costs and makes for a safer trip!!
