MONTHLY NEWSLETTER : JULY 2019

President's Corner.....

July 1st at Simola Estate a day 67 Senior lady golfers wont forget in a hurry!!

A bleak day greeted us on arrival at Simola, not great playing conditions but certainly not unplayable.

Coffee/tea and muffins seemed to help warm us up, along with the buffs which sold like hot cakes (how smart we all looked in Our Pink buffs!!

Jamie sent us on our way.....but it was all downhill from there as conditions deteriorated rapidly. I have an idea that somewhere we all decided to finish at least 9 holes and some braved 12 holes. The Committee Members present decided to award First and Second place on a 9 Hole competition (results and photos in this Newsletter)

Thanks to the Catering staff at Simola who were able to have the lunch ready early and we were able to get lunch and Prize-Giving over well ahead of schedule.

I am so grateful to all the Seniors who arrived at Simola, when in all reality we were unlikely to get 18 holes of golf played.

It is a terrible predicament to be in and to have to make a cancellation call on the morning of the Competition bearing in mind :

The Club has catered for the Players and prepared the Course, a last minute cancellation is unfair BUT by the same token I appreciate that Players had to come through from Mossel Bay and George for what turned out to be an expensive exercise.

On the day friendships, hot chocolate with a dash of rum or a glass of sherry were the WINNERS.....there is a great sense of Comraderie among us which is to be treasured.

I hope that 5th August at Pezula will be a 5* golfing day – see you there!

Cheers
