

SOUTHERN CAPE SENIOR WOMEN'S GOLF SOCIETY

LOCKDOWN

MONTHLY NEWSLETTER : JUNE 2020

President's Corner.....

Hi all,

I had hoped that it would be possible to share some good news about getting back onto the fairways and greens, but alas no such luck!!

This Newsletter is not very "newsy" but it is a way of keeping in contact with you all and saying, "Hey I hope you're all ok?"

The state of "limbo" we're in of not knowing if/when/how we will get back to golf is extremely frustrating for us all.

As we all know it's the easiest sport in which to maintain the rule of social distancing our golf shots can go to the left, to the right or straight and often we meet on the green, so Mr R (or should that be Mrs D-Z) what is the delay all about???

Let's hope we don't have too much longer to wait till we are able to get together and enjoy the camaraderie and fellowship that this game affords us 😊

Wear your masks. Stay safe.

Regards

Les Carrline
