

Senior Womens Golf Society

MONTHLY NEWSLETTER : MARCH 2020

President's Corner.....

Hi all,

A great field of 107 Players at Mossel Bay. It was a delight to see how the course has recovered and the Management of Mossel Bay Golf Club can be justifiably proud of all they have achieved!!

I would like to highlight the 2 best scores of the dayCongratulations to Sonja Bland (74 Gross) and Anne Riemer (83 Gross)

The Committee is checking the entering of scores by players and repeat offenders, if any, will be noted and spoken to should the need arise.

On a sad note, Bit Heitman (Fancourt) passed away very suddenly. Bit was actually entered to play at Mossel Bay. Condolences to her family and friends.

For players who have asked how they can qualify for the National Senior Championships in 2021, to be hosted by Ekurhuleni (East Rand), we have included the Qualifying Criteria in this newsletter. The Committee assess these Criteria on an annual basis and modify requirements as is necessary. It has always been the Committee's objective to be transparent about the qualification procedures and to identify our quota of players objectively. If you have any queries, please speak to your Club Rep.

I look forward to seeing you all at **PLETTENBERG BAY** on 6th April.

Please bear in mind this will be a 2 Tee start from 07h38.

Goose Valley, Knysna & Plett players will be used in the earlier time slots where possible, in order to accommodate the players coming from further afield. This is not always easy as some players have to be paired for sharing golf carts.

Regards

Les Carrline

New Members!

Karen Ransom	(George)
Silvia Bernini	(Knysna)
Margrit Giger	(Simola)

WELCOME LADIES!!!
