NEWS LETTER

Message from your president

Monday was a most magnificent day to start the seniors calendar, and I was so happy that 84 ladies decided to dust off the cobwebs, and venture back into the world of golf..some I might add after a long holiday and some even after a longer 'covid lay-off' !

Anyhow it was a really great pleasure to see and hear all the laughter and happiness emanating from those that joined us in what turned out to be a great event.

We welcome a number of new members and hope that by our next fixture all will be equipped with the proper golf shirt and navy pants/skirt, so that we can look the part .

We played the 4 ball alliance with three scores to count, thus allowing us to use full handicap, which it would seem is a popular decision, and will continue.

URGENT

We are still looking for someone to assist with the Knysna group as representative
Please ladies, we need a 'local' that can look after matters in this area.

BIG thank you to Marianda de Villiers from 'leisure rentals @ Pinnacle Point' for her companies generous sponsorship, please remember if you need accommodation in the Garden route, this is the way to go!

Sadly we have lost one of members , Barbara Fotheringham, who passed away recently after a long and very bravely fought battle with cancer.

Barbs we will miss you and your fighting spirit.

RIP

I look forward to seeing you all again at our Mossel Bay fixture on 7th March.

Golf greetings

Gloria
