PRESIDENTS CORNER

I am sitting in the sun writing this message, but assure you that if I was not in this sunny spot in our home, it would be pretty cold as winter starts to make its appearance, the days are getting decidedly shorter and the nights longer and most definitely colder. So bring out the thermal clothing and beanies, but do not give up on playing at least one round of golf a month....Seniors of course!!

Nationals 2022 has come and gone, I gather from those who attended that it was an enjoyable and successful event, although there were some timing issues! I am delighted to announce that Sonja managed to overcome a 7 shot deficit to retain the champions trophy, very proud of you Sonja!

By now hopefully all our members are home safe and sound, we look forward to seeing you all at Pezula next Month.

I am pleased to report that our treasurer and stalwart, Michele Emmerson, is making a slow but definite recovery from her recent knee replacement..keep up the physio Michele and we will soon see you back on the greens!

Julia Read is also doing well and this is a great testimony to her tenacity. Keep well and stay warm all.

our
very proud members

Spot the Southern Cape member in Boland Clothing??

Methinks she has some explaining to do!

Hold tight Bev

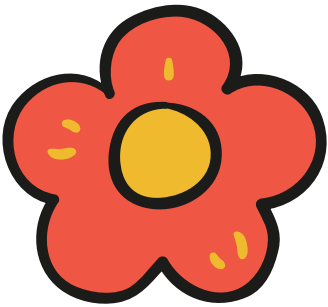

Some of our ladies got into the spirit of KZN

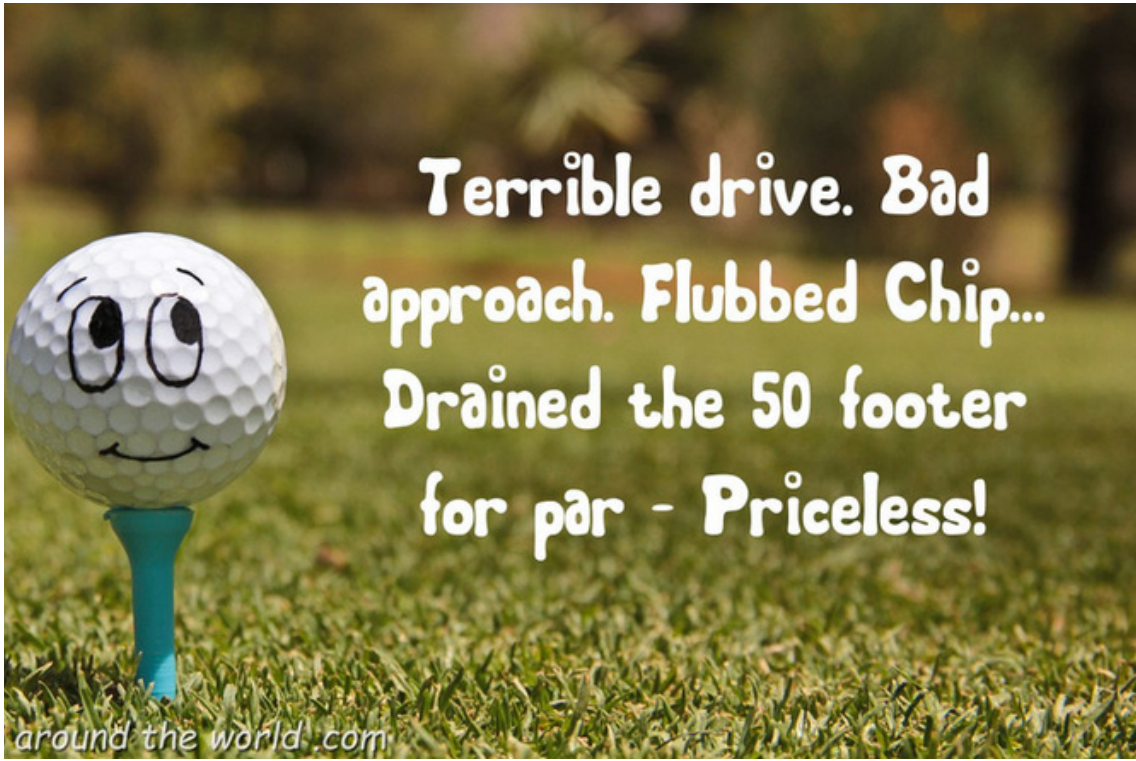

Glam girls

I think we all understand this, and have all
experienced it.

Probably why we keep playing this crazy game!!

See you all
on 4th July at
